## Itek Action Pro Waterproof 720P Ultra HD Sports Camera

This Itek Action Pro 720P Ultra HD Sports Camera delivers action shots worth a thousand words. Take it on your next exciting adventure and capture live action for pals and posterity. Some feats are just too awesome for words and need to be shown. Waterproof up to 100ft. for an entire hour, this camera features an HD 120° wide-angle lens that captures the action in several formats: 1080p, 720p, VGA, MOV or AVI. Video output range is 50/60 Hz. Audio WAV rate is 176 Kbps. AVI rate is 30 fps at 640 x 480 resolution. Shooting modes include single shot, self-timer and continuous shooting, with a focus range from 20cm to infinity. Self-timer includes 5 settings: 2S, 5S, 10S, 20S, 30S and 60S. 5 mounts, including a handle/bar pole mount, a quick clip and bandages, provide maximum flexibility. Built-in microphone and speaker capture amazing audio to deliver full-experience recording. Built-in detachable lithium battery allows camera use during recharging. Download imagery into your computer via the included USB mini cable or a micro SD card (not included). Supports micro SD cards up to 32 GB. 9 accessories included.

Purchase 2 cases (24 units) of Kleen-Flo's
